**Re: Extension of Filing Deadline for the 2020 Annual Operations Report**

Dear Mr. Janorschke

On March 24, 2021, we received your request on behalf of Alaska Electric and Energy Cooperative, Inc. (AEEC) to be allowed to delay submission of the 2020 annual report until April 30, 2021. AEEC noted that it is a wholly owned subsidiary of Homer Electric Association, Inc. (HEA) that is responsible for providing all the power requirements of HEA under CPCN No. 640. In addition, AEEC has separate accounting information from HEA, as well as its own accountant. The individual previously tasked with the AEEC assignment is no longer employed at HEA and the succeeding individual requires more time to complete the report.

We reviewed the request and determined that the extension should be granted; therefore, we grant AEEC's request to extend its annual report filing deadline until April 30, 2021. However, by March 31, 2021, AEEC shall report to the Commission the selected annual report data requested in our online Utility Annual Report by logging in at <https://rca.alaska.gov/RCAWeb/Home.aspx>. AEEC should file preliminary data at this website and, if necessary, update those numbers when finalized numbers become known.

AEEC's attention to the complete preparation of the annual report is appreciated. If AEEC has any questions regarding the contents of this Letter Order, please contact Julie C. Vogler, Finance Section Manager, at (907) 263-2168 or [Julie.Vogler@alaska.gov](mailto:Julie.Vogler@alaska.gov).

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
